

# Allotments in Peterborough

Have you ever thought about growing your own fruit and vegetables, want to eat tasty, fresh, organic produce, want more choice in the variety of fruit and vegetables available or are concerned about food miles and the environment? Then why not get an allotment?

Allotments provide not only food, but fresh air, exercise, a place to chill out, some where to observe nature and the chance to meet people and make new friends.

Age, race, gender, belief or experience is not an issue as allotments go beyond this and are all-inclusive.

There are allotments located at Orton Goldhay and Orton Malborne for rent.

All the sites are fenced and secured, water is provided from standpipes and the council allows sheds, greenhouses and polytunnels subject to application, you might even like to keep a few hens (not cockerels) or rabbits.

The council can arrange to rotovate your new plot to get you started.

## What will it cost?

Allotments are rented on an annual basis and are based on a standard 10 pole (300 sq yd) plot.

Smaller or larger plots are charged pro rata.

Standard charge	£50.00
@ctive Card Resident	£31.00
@ctive Card Concession	£11.40
