

Dear Members

My Colleague PCSO Paul Spencer, has requested that I inform you, that 2 mini motos were seen yesterday afternoon in Stonebridge, Orton, by members of the public. Due to the speedy reporting PCSO Spencer was able to find the offenders and confiscate the two bikes.

If you see any further sightings of motorbikes and mini motos on the cycle paths or park land then please do call our Force Control Room on 0845 456 4564. Its the time of the year when they start to make a nuisance of themselves and a danger to others. We would like to take positive action before it becomes a problem.

Many thanks

Tina

PCSO Tina Griffin
