

PRESS RELEASE

Would you like to become more involved in your community and make an impact on what happens at your local library?

The aim is to raise the profile of the library within the community

If you care about Orton Library's future and would like to be part of the decision-making then join as one of the Supporters of Orton Library.

The library hopes to pool the resources of both staff and local residents, together with parish Councillors and local businesses.

So, if you would like to help organise events such as author talks, local history discussions, quizzes and coffee mornings then call 864296 and speak to a member of staff at Orton Library; or call in when you are next in the Centre.

Your input could make all the difference!
